About B.J. Terroni Company, Inc.

In 1981 Bart Terroni, Sr. founded B.J. Terroni Company, Inc. and opened its doors as a Manufacturer Representative for Taco, Inc. serving the residential hydronic market in eastern Pennsylvania, southern New Jersey and northern Delaware operating from a 1,700 sq. ft. facility in Bensalem, PA.

Operating as a 2nd Generation Family Owned Business under John, Bart and Chris Terroni, B.J. Terroni Co., Inc. has expanded Bart Sr.'s vision to grow and adapt to an ever changing market. Today, the products that B.J. Terroni Company, Inc. represents now include HVAC and Plumbing, both to the residential and commercial markets.

Our two (2) 18,000 sq. ft. facilities feature a training center showcasing "Live Fire" equipment specifically designed to educate the industry in total system operations and promote comfort solutions.

At its core, B.J. Terroni Company, Inc. has and continues to be about the people, our team of dedicated employees and our partners in business, you our customers.

Offering Only The Highest Quality Products
